Drizzling out

Junior Gina Marshall braves the rain and wind Thursday morning as she walks past Old Main on the last full day of spring semester classes.

Hours slated for book returns

Eastern's Textbook Rental Service will be extending its regular hours beginning Saturday to accommodate the influx of students as final exams commence.

The library will be open from 10:30 a.m. to 3:30 p.m. Saturday, 8 a.m. to 4:30 p.m. Monday, Tuesday, Thursday and Friday, and 8 a.m. to 7 p.m. Wednesday.

However, students who wish avoid lengthy lines are advised to return books early in the week.

"The earlier the better," said Monty Bennett, director of

Textbook Rental. "The busiest days will be Wednesday and Thursday by far."

But despite the long lines toward the end of the week, Bennett believes Eastern's rental system is "very efficient."

"If everything goes right, we can run an average of 300 students in an hour," Bennett said. He added the time includes returning books to their shelves.

The last day students may return books without being fined is 4:30 p.m. Friday.

After this time students who fail to return their books will be declared "unclear" and fined \$2.25 per book the first day and 25 cents per book each day thereafter.

However, a student will not be charged more than \$10 per book, Bennett said, regardless of how many overdue books they have.

The Textbook Rental Service is not out to make money, Bennett said. "We just want the books to be returned."

- Staff report

Residence halls will close Thursday

With the implementation of a new final exam schedule, students living in residence halls will be forced to move out a day earlier than usual.

And even though some forms sent to residents stated the checkout time was 8 p.m. Thursday, Assistant Housing Director Patrick Bradley said he wants people to know that 10 p.m. is the correct time.

"We don't want anyone having to leave their finals early because they think they have to be out by 8 p.m.," Bradley said. "The time halls close

is definitely 10 p.m."

Even though halls officially close Thursday, students will be allowed to stay until May 12 if a written request is submitted to their hall counselor by Friday.

Students may obtain permission to stay in the halls until May 12 if they are graduating, participating in band activities or participating in the May 11-12 track meet.

Students should sign up with their RA at least 24 hours in advance to the time they want to check out and have all personal possessions out of

the room when the RA comes to inspect the room and assess damages.

Students staying for intersession will be allowed to store personal belongings in their rooms until May 13, Bradley said, but only if they fill out a written request with their hall counselor by Friday.

And since only first class mail will be forwarded to summer addresses, students are asked to inform magazine publishers of their change of address.

- Staff report

Summer registration to begin

Central registration begins Friday for students who have not pre-enrolled for intersession.

The basement of McAfee Gym will be open from 9 a.m. to 2 p.m. to accommodate any student with an Eastern identification card or new students with official registration permits, said Michael Taylor, director of registration.

Intersession begins May 14 and continues to June 7. Taylor called Friday a "first chance for students to have a crack at seats in classes."

A late central registration day is scheduled for May 14, Taylor said.

Approximately 2,400 students have pre-enrolled for summer classes, which include intersession, five-week courses and eight-week courses.

- Staff report

Disabled grad may cross stage next Saturday

By TONY CAMPBELL
Senior reporter

For one Eastern student, the chance to cross the stage at May 12 graduation ceremonies may rest on a few inches.

Senior Gary Spezia, who will receive his masters degree in educational psychology and guidance next Saturday, is confined to a wheelchair.

University Relations Director Dan Thornburgh said he and Physical Plant Director Vic Robeson met Thursday morning to review the possibilities for Spezia to participate on stage during the commencement exercises.

However, Thornburgh said final measurements of the Booth Library steps are needed to make a final decision.

Thornburgh said if the steps are wide enough, the university will have three options to consider: installing temporary planks, lifting Spezia to the stage or taking it step by step.

For six months, Spezia, quadriplegic following a fall from a tree while deer hunting in the fall of 1987, has requested the university provide a ramp so he could receive his diploma on the stage.

The three options presented by Thornburgh following Thursday's meeting are more economically feasible than previous estimates which placed the cost of a ramp in the thousands of dollars.

Spezia said the three proposals cost roughly \$20,000, \$10,000 and \$6,500 - prices which the university is not willing to pay. The options included renting a stage and adding ramps.

"We cannot rebuild the stage - if there's some means of getting him up there we will," Thornburgh said.

President Stan Rives said he has not discussed the situation with Thornburgh or Robeson.

"This university can and has made accommodations to handle the handicapped in the past," Rives said. "But that doesn't mean we can do everything."

During previous commencement exercises, Rives said he has left the stage to present diplomas to disabled students seated in the front row of graduates.

"I know it's not money," Spezia said. "I can offer them simple solutions."

Spezia said two beams could be placed across the Booth Library steps so his wheelchair could be pushed onto the stage. "They've got to have extra lumber around - it's not that big of a deal," he added.

Regardless of the administration's decision, Spezia said he will

Graduation exercises scheduled

By ERIC FULTZ
Staff editor

Weather permitting, Eastern's Library Quad will be filled with graduates, families and friends on May 12 for spring graduation.

If the weather does not cooperate, that same group will gather in Lantz Gym to honor more than 1,200 spring semester graduates, according to commencement coordinator Brenda Cuppy.

Graduates of the Eastern's College of Liberal Arts and Science, College of Applied Science and School of Adult and Continuing Education (including those enrolled in the Board of Governors bachelor of arts program) will receive degrees during the Saturday ceremony scheduled at 10 a.m.

Students completing studies in Eastern's Graduate School; College of Health, Physical Education and Recreation; Lumpkin College of Business; College of Education and College of Fine Arts participate in a ceremony scheduled at 2 p.m. Saturday.

Eastern President Stan Rives will preside over the ceremonies and "give the charge" to the class during the afternoon ceremony. Thomas Layzell, Board of Governors chancellor, will deliver it in the morning, Cuppy said.

An honorary doctorate of law, the university's highest honor, will be given to Donald Calvin during the afternoon ceremony, Cuppy said.

Calvin, who attended Eastern in the mid-1950s, is chairman of International Business Enterprises, Inc., a financial consulting firm based in New York City.

attend graduation.

"I considered boycotting graduation, but I believe I will participate," he said. "They expected me to eventually drop it, but I'm not going to."

Spezia, who received his bachelors degree in 1986, said he doesn't want to sound negative because he has received help from some administration and faculty members.

"When I came back to school, I had it in my mind go across the stage - it's demeaning," he said.

News ceases publication

This is the last edition of *The Daily Eastern News* for the regular 1989-90 academic year.

The News will not be published during finals week and the summer edition of *The Daily Eastern News* will begin publication every Tuesday and Thursday beginning June 12.

During this academic year, which marks the 75th anniversary of publication for *The Daily Eastern News*, the more than 30 students involved with producing the newspaper produced more than 150 editions for the Eastern and Charleston communities.

The Daily Eastern News will resume daily publication again on Aug. 20.

Walking to New Orleans

If you picked the column on the left, then you have the right idea about the Ford-Mercury College Graduate Purchase Program. Mooney Motors can arrange pre-approved financing from Ford Credit and \$400 cash back from Ford Motor Company. It's for fresh graduates receiving a Bachelor's or advanced degree between April 1, 1989 and December 31, 1990. If you're cool, here's the rules:

Take delivery from our stock by December 31, 1990 (or place a factory order by October 1, 1990). To qualify for pre-approved financing from Ford Credit, you must have verifiable employment beginning within 120 days of vehicle purchase. Your salary must be sufficient to cover living expenses as well as a car payment. A prior credit history isn't necessary, but if you have one, it has to be satisfactory to Ford Credit.

So hurry to Mooney Motors and get all the details.
It could be the coolest move you've ever made.

*Not available in all states.

Teacher Education Meeting

Students must formally apply for admission to Teacher Education at a meeting scheduled each semester by the College of Education. At this meeting, application forms are distributed and the rules and regulations pertaining to admission to and retention in Teacher Education are explained.

Students who are now entering a teacher preparation program should attend the following meeting to apply for admission to Teacher Education:

TUESDAY, JUNE 26, 1990, FROM 3:00-4:00 P.M.

The meeting will be held in the **Buzzard Building Auditorium.**

You must be admitted to Teacher Education 10 weeks prior to the semester in which you plan to Student Teach. The next opportunity to apply for admission to Teacher Education will be fall semester 1990.

COLLEGE STUDENTS

**How to Make Money Without
Sacrificing Your
Summer**

Face it. Even though the sun may be shining and the beach is calling your name, sooner or later you'll probably have to make some money for school. Wouldn't it be nice to work around your own schedule...to have the luxury of keeping a bigger piece of the summer to yourself?

Personnel Pool Temporary Services believes in summer too! We can offer you long and short term assignments in your part of town...positions to fit your type of skills - from clerical, word processing and data entry, to paralegal/legal support and light industrial. Our 9 Chicagoland locations are here to make your summer fun and prosperous.

We also offer great pay, student benefits, referral bonuses, and more! So...it's your call, make it today!
